# STEEPED IN HISTORY & HERITAGE

---

The story of Weirs began as a humble village gathering place, where neighbors would come together to share stories, celebrate life's milestones, and create memories that would last generations. Over the decades, it has evolved into one of Westmeath's most beloved dining destinations, yet it has never lost that essential character that makes every guest feel like family.

Today, Weirs Multyfarnham continues this proud tradition, offering couples a venue where their love story becomes part of our ongoing narrative. Where once village celebrations filled these walls with laughter and joy, now wedding bells ring out across the countryside, announcing new chapters in the lives of those who choose to begin their journey together here.

The essence of Multyfarnham – its rolling green hills, peaceful lakeshores, and timeless charm – provides the perfect backdrop for your special day. Here, in this corner of Ireland's Ancient East, your wedding becomes part of a story that spans generations, rooted in tradition yet celebrating the promise of tomorrow.

# WHAT BRIDES HAVE SAID ABOUT WEIR'S

---

**Sarah Corrigan**

We recently had our wedding reception in Weirs. We couldn't have had a better experience from start to finish. We live locally and had a small wedding, so we decided to go with Weirs. I had eaten there before and knew the food was amazing but I couldn't get over how brilliant the day was made for us. Una met me before the big day and put me so at ease. She really went above and beyond and took any bit of pressure away from us. She did the decorations, advised me on menus and drinks and sorted absolutely everything for me. The food was 10/10 , the staff were absolutely lovely and the location couldn't have been better. The way the room was decorated for us, by Una, was beautiful and very professional. Pat took our photos as an added bonus and took my favourite one of the day. Im so happy that we decided to go to Weirs. My expectations were exceeded on the day. Im so grateful to Pat and Una for giving us the best day!

**Kayleigh Moore**

We had a small family wedding at Weirs Restaurant Multyfarnham September last year and we could not have been happier with the event. The venue and village is so picturesque and charming. It was the perfect place for a small wedding: we ate in a gorgeous little room off the restaurant and it was a perfect size for our wedding party of 20 people. Una, Pat and all of the staff genuinely made us all feel so welcome, they really went above and beyond for us all. The food was absolutely wonderful, a menu that cleans to everyone's liking. I highly recommend Weirs as a small wedding venue as it gave us the most amazing day of our lives. Thanks again to everyone at weirs.
